# God is Doing a New Thing—and You're Invited!

Dear Friends,

Everybody needs more joy these days, so Westminster Presbyterian Church in Greenwood is kicking off a new Sunday evening activity series called "Joy in June!" You, your congregation, and everyone in your community are invited to participate in these casual indoor/outdoor gatherings on the Westminster campus every Sunday in June from 5:30 to 7:30 P.M. The events are open to anyone and everyone who enjoys building friendships with people from every age group, background, and experience.

Wear your comfy clothes, because you'll have a chance to play, move, and sing. You can tackle hands-on arts & crafts projects. Swapping stories is always part of the fun, as you learn more about Jesus and about each other. And there will even be snacks!

Why are stepping out in faith to try something new? Because!

Because you can never have too much joy. Because we are surrounded by unchurched children of God to whom we need to offer *new* ways to find faith. And because after years of isolation and fear, we all need to forge sturdy connections, embracing our kinship with each other and with God.

Each Sunday centers on sharing campfire stories about Jesus:

Sunday, June 5 **Fire: Pentecost**  
Cupcakes for the Birthday of the Church

Sunday, June 12 **Water: Jesus' Baptism**  
Water Play at Fellowship Time

Sunday, June 19 **Wind: Jesus Calms the Storm**  
Kites/Wind Socks

Sunday, June 26 **Earth: Mustard Seed/Parable of the Sower**  
Holy Ghost Weiner Roast

Activities will be held outside and in the Fellowship Hall, using the following format:

5:30 P.M.—Fellowship, recreation, crafts, and more

6:00 P.M.—Music, worship (Bible story/lesson), table-talk, snack

7:00 P.M.—More fellowship

Come and be part of this exciting new venture, whatever your age and stage. **And invite your neighbors, friends, kids, grandkids, and especially anyone who's been feeling lonely, left out, or disconnected. There's room around our campfire for everyone!** And remember—great bonfires start with small bits of kindling, and so do great relationships.

Sincerely,
